

*** Aldrich Enrichment Opportunities for 2018-2019 ***

Another wonderful way for your child to learn and grow at Aldrich!

Registration form is on the **back** of this sheet.

Four Week Classes

Four week classes are held on Tuesdays or Wednesdays from **1:00-3:30pm**.

Cost for the 4 week classes are **\$75** each. Registration form is on the back of this sheet.

SPORT ADVENTURES: (October 2/3 - October 23/24):

Sport Adventures provides great exercise and fun in a structured format that introduces children to a wide variety of sports! This class will allow children to discover the champion within themselves while emphasizing teamwork and fair play. We will introduce children to the basics of our world's most popular sports while building coordination, balance, and confidence!

MINI SCIENTISTS: (October 30/31 - November 27/28 * No class week of November 19):

Curious about the world around you? Come join our class for a chance to explore through science! Children will have the opportunity to do hands-on experiments, test their hypotheses, and learn about science all while having fun. We will investigate many different topics, including our bodies, animals and insects, and our planet. This experience is tailor-made to spark a passion for the amazing world of science!

LITTLE CHEFS: (January 8/9 - January 29/30):

This class encourages children to try new foods, practice counting and measuring, and have tons of fun in the kitchen. At the end of class, children will enjoy their creation and then share some treats with their families. Recipes will be shared so that parents and children can continue baking together at home.

BEND AND BOOGIE: (February 5/6 - February 26/27)

Your little movers will experience a balance of yoga and dance through games and guided activities. They will bend and stretch, forming shapes from A-Z. They will express themselves through cool dance moves to familiar songs. Then they will meditate to soothing melodies while using their imagination to describe the world around them. Let's move!

WACKY WEATHER: (March 5/6 - April 2/3 * No class week of March 25):

Get ready to explore the weather around us! We will become Junior Meteorologists as we learn about temperature, clouds, snow, rain, sunshine and wind. We will learn about the wonders of weather and discover how the weather changes through the seasons.

SPY KIDS: (April 9/10 - April 30, May 1)

Imaginary spy school will help children develop the powers of observation, listening skills and memory. We will work through these skills with hands-on experiences. With a mystery story, like "Where are the Missing Cookies," the class will ask questions and use their five senses to unlock the power of investigation and solve the mystery.

* Aldrich Enrichment Opportunities for 2018-2019 *

Children must be at least 3 years old on Sept. 1, 2018 to participate in enrichment classes.
 Children who don't regularly attend Aldrich are also welcome to attend enrichment classes;
 please call the Aldrich office if you need any additional information.

Child's Name:			
Classroom:			
Parent/Guardian Name(s): * Please print clearly *			
I understand and agree to the policies for the enrichment classes.			
Parent/Guardian Signature:		Date:	

For all classes: Class will be canceled if the minimum enrollment of 8 children is not met two weeks prior to the start of the class. If the class is canceled, you will be notified and your fee will be refunded.

Policies for ALL CLASSES:

- Registration will continue throughout the year, as long as openings remain. *Registration and tuition must be received by 4pm on the Friday preceding start date of class.
- Tuition is due in full at the time of enrollment.
- To disenroll, two weeks notice is required prior to the start of the first class in order to receive a refund.
- If a class is canceled because of weather, the class will be rescheduled.
