

# Aldrich School

Dear Aldrich Parents,

December 2020

We can hardly wait to welcome back children, families and teachers to Aldrich! Beginning **Wednesday, January 6<sup>th</sup>**, you may enroll your current Aldrich child and/or any siblings that are age appropriate for the 2021-2022 school year at Aldrich. Returning Aldrich families have priority to register through January 15<sup>th</sup>. Classes are filled on a first-come, first-served basis, and enrollment for the public begins on January 19<sup>th</sup>.

Registration will look a little different this year to ensure a safe environment for all of us. **Registrations will be accepted beginning at 8:30am on Wednesday, January 6<sup>th</sup>**. Doors will NOT open until 8:30am, to minimize crowding indoors. Please maintain social distancing while waiting in line. Families will enter through the main entrance (Door M) and proceed down the hallway to Playroom 1. This will allow space for people to spread out inside. Instead of reviewing Enrollment Contracts with families, the Enrollment Contracts will be numbered in the order they are received and processed in that same order. Families will receive Enrollment Confirmation via email. Families will exit out of the Playroom 1 exit.

**In order to register, the following items are needed:**

- Enrollment contract** (all 3 pages completed)
- Immunization record** (we are asking all families to bring an updated Immunization Record for enrollment this year)
- Enrollment fee** (\$60 per family) Check or credit card is preferred. For credit cards, a form will need to accompany registration materials.

As you begin to plan for the 2021-2022 school year, here are the classroom options being offered:

	2 years	3 years	4/5 years
2 mornings	•	•	•
2 afternoons		•	•
2 full days		•	•
3 mornings	•	•	•

3 full days		•	•
5 mornings	⊙	⊙	•
5 afternoons		⊙	•
5 full days		⊙	⊙

⊙ child may be assigned 2 different classrooms (combination of T/Th class and M/W/F class)

**Daily Extension options, which include Early Bird, Lunch Bunch and Kids Club, will not be accepting enrollment at this time.** Current COVID safety guidelines recommend that children remain with a core group and not mix with other groups throughout the course of their day. Because the Extension Programs do not align with criteria, we have decided to not offer these programs until those guidelines have changed. Our hope is to get these popular extensions added on before the 2021-2022 school year begins, but we will communicate this information with families as soon as we can!

We are pleased to provide this early registration opportunity for present and past Aldrich families. Please remember that some classes fill quickly, so we encourage you to return your forms as soon as possible. If you have any questions, please contact our office staff. We look forward to seeing many familiar faces in the 2021-2022 school year.

For the Good of Children,

Jessica Paolini, Director of Aldrich School
