September 2022

Welcome to a new year at Aldrich!

It brings me so much joy to welcome you to the new school year. We are thrilled to see so many familiar faces and excited to meet those of you experiencing Aldrich for the first time. Aldrich has served the larger Rochester community since 1944, leaving it near and dear to the hearts of thousands of families--a group which now includes you!

Our talented staff is passionate about quality early childhood education. The bulk of your child's learning will happen while they explore their environment in both the indoor and outdoor classrooms, where you will see teachers interacting with students in small groups and one-on-one, engaging their minds by asking open-ended questions, prompting metacognition, and challenging them to take appropriate risks.

For these teaching techniques to work optimally with the development of a preschooler, our teachers must be masters of facilitating these interactions through the medium of **PLAY**. If you ever wonder why children are doing a particular activity in the classroom, I encourage you to ask their teachers. The wealth and depth of our faculty's knowledge on child development is impressive, and you will be thrilled to hear about the intentional learning opportunities they are creating for your child in their classrooms.

We have all been surrounded by serious stressors the last two and a half years or so, and your families' smiling faces have been a relief and joy to see. I look forward to seeing each of you more as the school year progresses; please let me know if there is ever any way I can assist your family. We are so happy you are here!

Welcome Flags

Have you noticed all of the flags lining our hallways? We are very proud that these represent families at Aldrich from a variety of different countries! No matter the language, children's play is universal, and children can play alongside or with each other, even if they speak different native languages.

****If you don't see a flag representing your home country, please stop by the office and let us know.** We want your family to be part of this great Aldrich tradition! We'll be happy to order another flag, and we'll invite you to write "Welcome" in your native language.

Security at Aldrich

The doors at Aldrich are only open during drop off and pick up times. In the morning, doors will open at 8:45am. If you arrive at the school outside of normal drop-off and pick-up times, you will need to use the main entrance (Door M by the flagpole). This door has a buzzer system with an intercom to the office.

Safety First!

Children's safety is a primary concern of all Aldrich staff. We'd like to offer the following reminders:

In the parking lot:

- **Drive slowly – 5 miles per hour.** Children can dart out from cars so quickly.
- **Follow the directions of the one-way signs and arrows.**
- **Hold your child's hand** from the Aldrich door to your car door.
- Do not use cell phones while driving in the parking lot.
- Be considerate of other families and other cars.

When dropping off your child:

- **Please turn off your car.** Aldrich has an anti-idling policy: all vehicles must turn off their engines within the Aldrich parking lot as soon as possible to protect children from inhaling harmful car exhaust.
- **Please bring all children into Aldrich with you.** If you regularly have a sleeping child in the car or too many kids to bring in with you, coordinate times with another Aldrich parent to watch your children in the parking lot while you come in.
- Upon entering and exiting the building, keep an eye out for any children who may be alone and near the doors. We don't want to accidentally let children outside unaccompanied by their parent or guardian. If you see a child leaving without an adult, please stop him or her. The child's parent will thank you!

Help Keep Aldrich Healthy (from our COVID Preparedness Plan)

Parents play a vital role in keeping our program open and healthy, please be honest and forthcoming with any symptoms your child is experiencing. Parents will be responsible to complete a daily health check of their child(ren) prior to arrival to ensure they are healthy. Children should only attend Aldrich if they are healthy and able to participate in all portions of the regularly scheduled day, including outdoor play. If children or staff exhibit any of the symptoms below, they should stay home and may return to Aldrich with a negative test(s) or evaluation from a medical professional:

- Fever or feeling feverish/having chills
- Cough
- Sore throat
- Vomiting/nausea
- Diarrhea

It is important to report **any** symptoms your child is experiencing to the Aldrich office within 24 hours so that we can share next steps with you in a timely manner regarding testing and isolation. If you don't report symptoms to Aldrich within 24 hours and your child later tests positive for COVID, we will use your child's test date to determine the isolation period.

Testing Options: Aldrich will accept lab confirmed tests OR serial home tests (2 negative tests over a 48-hour period, depending on the test instructions.) Home test results must be submitted with a photo of the test including child's name and date the test was taken.

Children or staff who have COVID symptoms cannot attend while awaiting screening test results.

**If you receive a positive COVID test for your child, please notify the Aldrich office immediately (including during the weekend or evening) by emailing aldrich@aldrichschool.com. This is vital so we can keep families notified if their child was a close contact while at Aldrich.

COVID Testing and Test Kits

Aldrich is eligible to receive a limited supply of free COVID test kits from the Minnesota Department of Health to have available for enrolled families. We will keep you posted when they arrive! Here are resources for getting free test kits and COVID testing information:

Tuition Payments Made Easier

Looking for the easiest way to pay your tuition? Here are our tuition payment options:

- **Automatic Credit Card or Bank Account** To take advantage of this option, print off the form found at this link (or request a form from the front office): <http://aldrichschool.com/wp-content/uploads/2021/02/Tuition-Express-Parent-Authorization.pdf> and turn it in to the main office. Your tuition will then be automatically charged to your credit card or withdrawn from your bank account on the first of every month.
- **Bank Bill Pay System** If you haven't used bill pay before, contact your bank for details to get started. If you already use bill pay, add Aldrich as a new payee, put your child's name in the memo section, and make your payment. It's even easier if you set up a recurring payment. Tuition is due on the 1st of the month, and it takes about one week for your check to arrive, so please plan accordingly. Please remember that no tuition payment is due on May 1st, which means that if you are using automatic bill pay, your last payment is due on April 1st.
- **Personal Check** Avoid the line at the front office by dropping your check in the secured Payment Slot on the left side of the Information Center (near the front office). Alternatively, you can drop the check in the mail slot outside the main entrance, to the left of the front doors, after business hours.
- **Cash Payments** For security reasons, always bring cash payments to the front desk.

Payments are always due on the 1st of the month. A \$20 late fee will be assessed if payment is not received by the 8th of the month.

United Way Campaign

This fall, many businesses will be promoting their United Way campaigns, encouraging their employees to give back to support community needs. *Because Aldrich is a non-profit organization, did you know that you can designate your donations to go to Aldrich?* Simply write in Aldrich Memorial Nursery School as the recipient when you make your donation to United Way. We sincerely appreciate the financial support from the Rochester community!

From the Board of Directors

The Aldrich School Board had a great kick-off to the school year at our Annual Board Orientation and Retreat. We're enthusiastic about our upcoming school year and are so grateful to the staff and teachers for all that they have done to welcome back children to Aldrich School. We're also thankful to all those who helped spruce up our outdoor classrooms on Saturday, August 27th! The playgrounds are looking fresh and ready for kids to do the important work of play (and getting messy)!

I would like to invite you to participate in all of the great events and opportunities the Aldrich Board of Directors is planning this year. From book fairs, help with the library, loving on our staff and teachers, to The Big Playdate in the spring (psst! Save the Date for Saturday, May 13th), we'd love help from the Aldrich School community. If you are interested in learning about ways to volunteer around the school and with the board, please send an email to aldrichschoolvolunteers@gmail.com.

Volunteer Spotlight

Remember the feeling of receiving the book fair flyer when you were in elementary school? It was so fun to flip through and then attend the fair surrounded by all those great books! Aldrich is planning for the fall **Scholastic Bookfair** that takes place during fall conferences the first week of November. We're specifically looking for people who would be interested in organizing the details and staffing it while families attend their conferences. This is a FUN opportunity, and you'll have help all along the way from individuals who have organized book fairs before. If you are interested, please email: aldrichschoolvolunteers@gmail.com

If you have any questions during the school year, or simply want to say hi, please email me at any time: beckymontpetit@gmail.com
